

Dear Friends of Saint Charles Caritas:

The Caritas is honored to present to you our Volunteer for the 1st Half of the Year (Jan'09 thru June'09) Mr. Paul Bell. Below is Paul Bell and the 13 nuns from our different charities that we are helping in TJ.

Paul is a very dedicated volunteer and donor for the Caritas since 2002. When the Caritas started the special project for the dump site of TJ, Paul donated to make sure that we can have enough to support this project. Not only that Paul is a donor but also our main man to take care of the arrangements of the buying of food for the many special projects. As of today, we have had 17 special projects for TJ dump site. More than 250 poor families and children (1500 people) benefited from these projects at every distribution. Paul is our logistics director. He negotiates prices and deals with the store managers. It makes it easier for me to run these projects with someone like Paul to help since we are all working during weekdays. We THANK GOD that Paul is with us and last Sunday, June 21, the Saint Charles Caritas awarded Paul and recognized his exemplarily efforts of helping the poor. Please congratulate Paul for a job well done!

Thank you so much, Paul!!!

All the best to all,

Merlyn Baker
